20th Street garage entrance

21st Street garage entrance

20th Street parking garage entrance–MRI

Use the parking garage entrance from 20th Street if you have an appointment for an MRI at MedStar Radiology Network, located in the Orthopaedic & Sports Center.

- The MedStar Radiology Network location providing MRI services is located in the Orthopaedic & Sports Center (Building 1 South, level A)
- Park on level A, and enter the building using the red entrance. Signage will guide you to the MRI location.

21st Street parking garage entrance–Other radiology services

For all other radiology services, including mammography, CT scans, DEXA, ultrasounds, and X-rays, use the 21st Street parking garage entrance. Use the elevator through the green entrance to navigate to the Building 2 lobby.

For further assistance in finding your appointment, Lafayette Centre security associates in the Building 1 South lobby and Building 2 lobby can assist. Signage is also present.

Our MedStar Radiology Network at Lafayette Centre: Weekend Hours

Our MedStar Radiology Network offers services on the 8th floor of Building 2. These services include 3-D mammography, CT, cardiac calcium scoring, DEXA, ultrasound, and X-ray on Saturdays and Sundays. During these hours, you may notice fewer associates and security staff at Lafayette Centre.

Lafayette Centre Building 2 lobby entrance from the courtyard

Radiology check-in desk on the left side of the 8th floor of Building 2

From the 21st Street parking garage

- Please use the 21st Street garage for all radiology services, except for MRI. From the garage, enter Building 2 and use the touchscreen on the outside of the destination elevator to select "Lobby."
- The elevator may take a few moments to arrive after making your selection. Upon exiting the elevator to the lobby, use the touchscreen again to select the 8th floor. The Radiology checkin will be to your left upon exiting the elevator. Please be advised that fewer staff will be present during weekend hours.

From the street or Metro

- Enter the Building 2 lobby from the courtyard, accessible from 21st Street or 20th Street.
- Using the touchscreen on the outside of the destination elevator, select the 8th floor, and the touchscreen will display which letter elevator (A, B, or C) you should use. If assistance is needed, the Lafayette Centre security associate can assist. You will immediately see the Radiology check-in desk as you exit the elevator on the 8th floor.

Lafayette Centre security associates and signage located in the Building 2 lobby can guide you to your appointment's location. For MRI, please go to our Orthopaedic & Sports Center on Level A of Building 1 South.
